JOURNAL PUBLICATION SUPPORT

We Help Your Manuscript Get Published With High-Impact Factor

PUBLICATION SUPPORT

Menerbitkan jurnal penelitian merupakan hal yang harus dilakukan oleh para peneliti diseluruh dunia, termasuk mahasiswa peneliti di Indonesia. Kementerian Pendidikan dan Kebudayaan (Direktorat Jenderal Pendidikan Tinggi) memberlakukan publikasi jurnal sebagai salah satu syarat kelulusan untuk program S1/S2/S3 melalui Surat Edaran No. 152/E/T/2012 tanggal 27 Januari 2012. Bagi banyak peneliti, terutama pemula, proses penerbitan bisa menjadi tugas yang menakutkan. Ketidakpatuhan terhadap pedoman maupun syarat jurnal dan protokol penerbitan akan berujung pada penolakan langsung. Oleh karena itu, banyak dari penerbitan jurnal dan makalah akademis mendapatkan penolakan daripada penerimaan.

Top Most Reasons for Manuscript Rejection

- ✓ Naskah berada diluar scope jurnal yang ditentukan oleh publisher.
- ✓ Naskah tidak lengkap; tidak memiliki dasar-dasar seperti judul, penulis, afiliasi, kata kunci, teks utama, referensi dan semua tabel dan gambar.
- ✓ Tata bahasa (grammar) tidak sesuai untuk dilanjutkan ke dalam proses peer review.
- ✓ Gambar dan Tabel statistik tidak lengkap atau tidak cukup jelas untuk dibaca.
- ✓ Referensi tidak lengkap atau sangat tua.
- ✓ Plagiarisme telah terdeteksi dalam naskah.
- ✓ Tidak adanya kebaharuan penelitian yang memadai.
- ✓ Kurangnya alur penulisan yang baik.
- ✓ Tidak sesuai format penulisan.

WRC Group melalui salah satu group bisnisnya yaitu The Research Buddy hadir untuk memberikan solusi dengan membantu para mahasiswa peneliti untuk mengatasi hambatan, memenuhi pedoman dan persyaratan yang dibutuhkan untuk dapat menerbitkan jurnal mereka baik kedalam jurnal nasional maupun internasional.

Journal Selection

WITH US, YOUR PAPER IS IN SAFE HANDS!

Maximize your chances of publication by letting The Research Buddy match you with the most appropriate journals for your particular research and requirements. Our team of experts holds extensive experience in peer reviewing and editing for international journals in your field of study.

We thoroughly review your manuscript and match it with a database of international journals, such as SCI, SSCI, Web of Science, Scopus, etc., to recommend the top 3-5 journals for better chances of publication. However, some journal recommendations are based on the author's preferences and the manuscript's quality, and some are only based on the manuscript's quality. If our recommended journals rejects your manuscript due to a scope mismatch, we will provide a maximum of 2 additional journal recommendations.

How do we Shortlist Your Journal

Our expert reviewer will recommend a list of 3-5 journals based on the following factors:

 Scope of the study	 Target journal type (scope, focus, etc.)	 Urgency to publish
 Accessibility features (open access, print only, etc)	 Type of the article	 Significance of the article in its field of specialty

Pre-Submission Peer Review

WITH US, YOUR PAPER IS IN SAFE HANDS!

Why wait for months to get feedback on your manuscript? Get a professional peer review in just 7 days! Our experts will thoroughly review your paper to identify areas for improvement and provide technical suggestions on possible pitfalls that speeds up your submission process.

Our experts will assess every element of your paper, such as soundness of study design, reporting of research methodology, significance to the field of study, ethical compliance, and data analysis. In addition, they will conduct a detailed check of journal compatibility to minimize the chances of rejection. Finally, you will receive a report that entails clarity of presentation, organization and structure, evidence, conclusion, adequacy of literature review, etc.

Our highly experienced subject-matter experts will provide vital feedback on:

- ✓ **Language of the manuscript**
- ✓ **Significance of results**
- ✓ **Whether all the findings are appropriately stated and backed by substantial evidence**
- ✓ **Publication readiness in its current state and required changes**
- ✓ **Manuscript length vis-à-vis the suggested journals**
- ✓ **Novelty of research**

Why choose us?

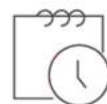

Your manuscript will be peer reviewed by subject-matter experts with experience reviewing for high-impact factor international journals.

You can choose up to 3 peer reviewers for your manuscript.

Our review process and output matches the standards of the highest ranked journals, allowing you to enhance your manuscript prior to submission.

You do not have to wait for months. Get a peer review in just 7 days!

Formatting and Artwork Editing

WITH US, YOUR PAPER IS IN SAFE HANDS!

Manuscript Formatting and Artwork Editing provides researchers a manuscript fine-tuning service that fixes every flaw in a manuscript which helps your research for effortless journal submission.

What Do We Offer?

Our experts always adhere to the "instructions to author" guidelines while formatting the text, figures, tables, references, heading style, font, & line spacing.

Our editors use state-of-the-art software to check and address all technical aspects of your artwork, including resolution (DPI or PPI), color, image and file size, etc., to ensure adherence to journal requirements.

We will minutely examine it to eliminate all the kinks that a novice wouldn't catch so you can be assured of receiving an error-free manuscript.

We will craft a cover letter to make your research stand out from the competition. We will also assist you in conveying the originality of your research in a smooth, flowing prose that displays the significance of your research & findings.
